

*"Without the ministry of PVH, on a missionary budget, we would not have been able to participate in ministry training in Colorado."*  
YWAM Missionaries from Ireland

The number one way PVH and your ministry can be of mutual benefit to each other is letting your missionaries or Christian non-profit workers know we are available for furnished, month to month, full or partially scholar-shipped housing.

We pray for an opportunity to partner with your people by having a committee or congregation watch our lovely 6 minute, 29 second video.

We have many opportunities for volunteers with a heart for missionaries. These are just a few:

We can organize singular or repeating group work-day picnics.

Both local and long distant Individuals can bless missionaries by volunteering to send greeting cards and to pray with visiting missionaries or for Prospect Valley or to be our liaison to their own church.

Local people, or while visiting Colorado, can adopt a piece of the gardens or do repairs as needed.

A person can identify the gift or talent they would like to use and we will find a way for them to serve.

Additionally, we seek organizational or individual Sponsorships, of \$15 a month. Funds help missionaries stay free or at greatly reduced rates while in town for training, sabbatical, visa renewals or other needs.

There are so many wonderful causes competing for funds that our sponsors tell us how great it is to help so many missionaries with only a \$15 a month donation.

We are a tax exempt 501 (3)(c) completely volunteer run non-profit since 2003, operating since 2001.

Thank you for your time. [Prospect Valley Hospitality](http://www.prospectvalleyhospitality.com)

The Mission of Prospect Valley Hospitality is to provide inter-denominational, supportive, loving, comfortable accommodations free or under market value, to Christian, non-profit workers visiting the greater Denver, Colorado region in the U.S.A.

People devoting themselves to benevolent work, who need short term housing, do not have to sign leases or devote precious resources to buying furnishings. They step into this unit equipped with daily necessities and concentrate on the great things they accomplish across the globe.

In recent years we've hosted a family who made medical clinics for indigent people in Mexico, a family who works with the youth of Israel feeling the strain of compulsory military straight out of high school, people from Prague, Czech Republic and have a booking from Columbia for people who work with children rescued from sex trafficking.

The great service of PVH could not be offered without the support of our volunteers, prayer partners and financial contributors. We'd love to have you be part of the exciting things being done at Prospect Valley Hospitality.
